main character given answer: "Ah."  
Rinko says "Hehe. I'll go, you."  
main character given answer: "Ah."  
Rinko says ".....":  
main character given answer: "Wow."  
Rinko says "▲主人公\*▲":  
main character given answer: "Hmm?"  
Rinko says "Oh, she's already here. Did you have to wait?":  
main character given answer: "It's okay. I've just arrived."  
Rinko says "Thanks for waiting. I'm impressed that you're quicker than Rinko."  
main character given answer: "We can't make them wait."  
Rinko says "Here you go. Sorry about the delay. I'm so sorry I'm late on this one."  
main character given answer: "Totally fine. It's a good time."  
Rinko says "Sorry. It's hot out here, and you're here early?":  
main character given answer: "You don't want to keep me waiting, do you? ▲小早川\*▲, the heat was weak

wasn't it?"

Rinko says "It's impressive that you got here first. It would have been a kick to have to wait for Rinko on such a hot day.":

main character given answer: "I'm glad I came early."

Rinko says "It's hot again today. You're sweating. I'm sorry, did I make you wait again?":

main character given answer: "No, it's not. You're right on time."

Rinko says "Here you go. You must be cold.":

main character given answer: "I just got here, so I'm fine."

Rinko says "Here you go. Cold, isn't it?":

main character given answer: "Yeah, really."

Rinko says "I'm cold. Your back is curled up. What about the long wait?":

main character given answer: "Really? I'm not waiting for that."

Rinko says "Oh, here he is. You're on time.":

main character given answer: "No wonder. It's called adult manners."

Rinko says "Here it comes. The time is perfect and I'm glad Rinko didn't have to wait.":

main character given answer: "▲小早川\*▲, it's easy to find you."

Rinko says "Perfect. And Rinko just got here.":

main character given answer: "I'm glad you're not waiting too long. "

Rinko says "Oh, here he is. Just in time. You want to get an early start?":

main character given answer: "I guess so. It's hot as hell in here."

Rinko says "This way, this way. You weren't late.":

main character given answer: "If I'm late on this hot day, I'm going to be told I'm failing my boyfriend."

Rinko says "Yeah, just. Let's get out of here. I don't want to feel the heat.":

main character given answer: "Okay. Let's move before ▲小早川\*▲ melts."

Rinko says "I'm the punctual type. Ugh, it's chilly.":

main character given answer: "You're right. Let's get moving."

Rinko says "Why is it so cold? No need to stay long, here we go.":

main character given answer: "Yeah, you're right."

Rinko says "Thank goodness we didn't have to wait. The cold is a deadly weapon for Rinko.":

main character given answer: "Haha, I'm glad I'm not late."

Rinko says "Oh, here he is. Can you promise Rinko you'll be more punctual next time?":

main character given answer: "Sorry, I'll keep that in mind."

Rinko says "Your late. Are you saying you're not up for the date?":

main character given answer: "I'm sorry."

Rinko says "Oh, he comes. So, you made Rinko wait around?":

main character given answer: "I'm so sorry."

Rinko says "It's late, hot, I'm thirsty.":

main character given answer: "I'm really sorry. I'll be right back with something cold."

Rinko says "You've got some nerve making Rinko wait in this heat.":

main character given answer: "Sorry, I apologize, please don't give me a kick."

Rinko says "Hot and late! Rinko says direct sunlight is a deadly weapon.":

main character given answer: "I'm sorry. I'm sorry. Please forgive me."

Rinko says "What took you so long? Well, that's okay. What is it, by the way? This cold.":

main character given answer: " (You're angry, right?) "

Rinko says "Listen, it's freezing. So you want to punish Rinko?":

main character given answer: "That's not true! I'm sorry."

Rinko says "I'm cold. If it were a little later, Rinko would be stuck in the middle of nowhere.":

main character given answer: "I'm sorry for the wait."

Rinko says "What's your excuse?":

main character given answer: "I am sorry!"

Rinko says "Who said it was okay to be late? You want to get a storm of kicks, huh?":

main character given answer: "No! I feel really bad about this."

Rinko says "It's too late! I thought you weren't coming, and I got worried. Damn it!":

main character given answer: "I'm so sorry you had to worry about me!"

Rinko says "It's hot and I stop thinking. What do we do?":

main character given answer: "I'm sorry, I'll make it up to you, I'll think about it."

Rinko says "Hot, hot, hot! If you were three seconds later, I would have left.":

main character given answer: "I'm sorry! I can't believe I made you wait in this heat."

Rinko says "It's too late! I was so worried that I forgot it was even hot.":

main character given answer: "I'm sorry. Thank you for waiting for me."

Rinko says "My body and soul are cold.":

main character given answer: "I'm sorry. I'll make it up to you please forgive me."

Rinko says "It's cold! It's too cold to kick.":

main character given answer: " (I'm saved?) "

Rinko says "Too late! I was worried because I thought I was meeting you at the wrong place. Stupid.":

main character given answer: "I'm sorry. Thank you for waiting for me in the cold like this."

Rinko says "Okay, please show me your stomach.":

main character given answer: "Hmm? What...! ? That's for kids, ▲高嶺\*▲! ? "

Rinko says "Rinko-chan's serve, watch out! ":

main character given answer: "Let's do it! "

Rinko says "Prince...":

main character given answer: "...Hmm? "

Rinko says "My name is Manaka Takane. It's a pleasure to meet you.":

main character given answer: "Same here. It's a pleasure to make your acquittance."

Rinko says "Please, coach! ":

main character given answer: "Let's go! ▲高嶺\*▲! "

Rinko says "There are many stalls. ":

main character given answer: "That's right."

Rinko says "I've made lunch, but... do you eat it?":

main character given answer: "Really!? Eat and eat!"

Rinko says "That's... you're hungry. I've been making lunch boxes.":

main character given answer: "▲Is ▲小早川\*▲ made? Of course I will eat!"

Rinko says "Good luck, I made lunch. Can you eat it?":

main character given answer: "of course! ▽I'm looking forward to making ▲小早川\*▲."

main character given answer: "Yeah, sorry. Thank you for the present."

Rinko says "It was before I dated, and I thought I didn't have to hand it to me... Well, for the time being.":

main character given answer: "You don't have to worry about that much..."

Rinko says "By the way, next week. I have noticed?":

main character given answer: "Well..."

Rinko says "Anniversary, maybe after all. Matching goods.":

main character given answer: "Oh Then what should I do..."

Rinko says "▲主人公\*▲.":

main character given answer: "▲小早川\*▲. Have you thought about where to turn from?"

Rinko says "▲主人公\*▲.":

main character given answer: "So ▲小早川\*▲."

Rinko says "The person in the store. You said, "Are you a couple?":

main character given answer: "That was a little embarrassing."

Rinko says "Isn't your birthday so tiring?":

main character given answer: "By the way, is it so?"

Rinko says "Leave it empty tomorrow night.":

main character given answer: "tomorrow night.....?"

Rinko says "Well, are you ready to return?":

Rinko says "Ah... I have to go home.":

main character given answer: "Is that time already?"

Rinko says "Or the other this time.":

main character given answer: "You know, my parents are worried that they won't be back."

main character given answer: "You don't have to say such a farewell part of your life."  
Rinko says "Bamboo was displayed in the town. Is it Tanabata.....?":  
main character given answer: "Come to think of it next week?"  
Rinko says "Look look. That is the Milky Way.":  
main character given answer: "Then, that is Hikoboshi... is that weaving princess?"

Rinko says "Wow... it's crowded...":  
main character given answer: "Hold your hand firmly so that it will not come off."  
Rinko says "Was there such a secret spot?":  
main character given answer: "▲小早川\*▲ and I wanted to watch it alone, so I searched for it."  
Rinko says "Ah...it's depressing.":  
main character given answer: "What happened to your face like the end of the world?"  
Rinko says "Then, from now on, the Tobano High School Athletic Festival will start.":  
main character given answer: "(Okay, do it!)"  
Rinko says "Next is the last event in the morning, a cavalry battle by a second grade boy.":  
main character given answer: "(Okay, ▲小早川\*▲ did his best. ● Will he do the best!)"  
Rinko says "The end of the sports festival is folk dance, which is attended by all grades.":  
main character given answer: "(Is it possible to dance with folk dance or ▲小早川\*▲.....)"  
Rinko says "This concludes the entire program of the Sports Festival. Thank you everyone.":

Rinko says "That's Halloween.":  
main character given answer: "What's wrong?"  
Rinko says "With so many participants, many people don't really understand.":  
main character given answer: "Is that the character of the movie? Magic school thing....."  
Rinko says "If you knew that this was all a costume, you wouldn't be scared at all.":  
main character given answer: "Really? I'm bullish."  
Rinko says "Right. It's a picture-story show, but how complete is it?":  
main character given answer: "It's still two-thirds..."  
Rinko says "I'm hungry.....":  
main character given answer: "I haven't eaten anything yet... so I'm going around the stalls."

Rinko says "You see, early! I have to go to the ground.":

main character given answer: "Hey, why don't we see it in the classroom? Right, right in front of you."

Rinko says "It's almost Christmas.":

main character given answer: "The town is already in a Christmas mood."

Rinko says "It's coming soon.":

main character given answer: "Is it Christmas? I think the town is completely in Christmas color."

Rinko says "Well, it's nice to have a Christmas with just two people, but don't you think it's good to have a Christmas party with a lot of people?":

main character given answer: "Speaking of which, a party sponsored by Tobano High School... You know, I didn't put a poster on it."

Rinko says "Please wait. ...Did you wait a long time?":

main character given answer: "No. ●Because you have just come."

Rinko says "I will have a bingo competition later, so please have one card.":

main character given answer: "Bingo... Well then, here."

Rinko says "It was a fun Christmas party. It may be okay to get together in large numbers.":

main character given answer: "That's right. .... Then, will we go to see the Christmas tree next time?"

Rinko says "There are presents, but what about you?":

main character given answer: "Of course, ● is also available."

Rinko says "Today... thanks. I can't say it well...":

main character given answer: "Okay, if ▲小早川\*▲ is happy, that's it."

Rinko says "Snow... I guess it won't run.":

main character given answer: "Well, I think it's difficult."

Rinko says "Right. It's planned for New Year's Eve.":

main character given answer: "How was it?"

Rinko says "There are so many people...":

main character given answer: "Are you okay? Do you hold hands so that you can not come off?"

Rinko says "The road on the way was great, but there are more people in the venue.":

main character given answer: "It seems to be crushed..."

Rinko says "Right. ....A little good?":

main character given answer: "Oh, will you come over here?"

main character given answer: "How nice."

Rinko says ".....Thinking back, you've never slept from the countdown.":

main character given answer: "By the way, yes. Did you really get sleepy?"

main character given answer: "However, I can't get out of the room."

Rinko says "Hey, I've been visiting you many times, but are you free?":

main character given answer: "You can come even if you're not free."

Rinko says "Hey, are you so worried about Rinko? Would you like to get better soon?":

main character given answer: "Well, of course. why?"

Rinko says "▲主人公\*▲.":

Rinko says "Hey.":

main character given answer: "Hmm? "

Rinko says "Ah, your hand is cold...":

main character given answer: "People with cold hands have warm hearts, you know? "

Rinko says "Wait! Don't squirm like that! ":

main character given answer: "Ah... Sorry."

Rinko says "Hehe...":

main character given answer: "What's the matter? "

Rinko says "Don't you feel embarrassed

doing this? ":  
main character given answer: "A little bit."  
Rinko says "This feels quite nice...":  
main character given answer: "Yeah."  
Rinko says "Will you feel bad if a girl  
holds your hand...? ":  
main character given answer: "Not at all! I'll be very  
happy with it."  
Rinko says "It feels nice when we walk  
hand in hand like this.":  
main character given answer: "It feels more intimate,  
right? "  
Rinko says "...♪":  
main character given answer: "In a good mood, huh? "  
Rinko says "If Rinko holds your hand, will  
you be happy? ":  
main character given answer: "Yeah, I'll be happy."  
Rinko says "What do you think if our hands  
were glued and we had to hold  
hands all the time? ":  
main character given answer: "...How are we gonna use the  
bathroom then? "  
Rinko says "Do we look like lovers now? ":  
main character given answer: "We ARE lovers."  
Rinko says "How many girls have you ever  
held hands like this? ":  
main character given answer: "Let me think... Ten, maybe...  
No, there are more than  
that..."  
Rinko says "Why do lovers have to hold  
hands? If they get lost,  
can't they go home by  
themselves? ":  
main character given answer: "Well, why does  
▲小早川\*▲  
want to hold hands, then? "  
Rinko says "Somehow... I'm getting  
worried.":  
main character given answer: "About what? "  
Rinko says "We always go by that house  
when we walk this way. It  
looks expensive.":  
main character given answer: "Yeah. The garden looks nice as  
well. It's such a nice house."  
Rinko says "Ah, that house is done.":  
main character given answer: "Yeah. But it's difficult to  
have your own house nowadays."  
Rinko says "Ah, that mansion is very  
stylish.":  
main character given answer: "Stylish...? You mean that  
Western style building? I  
noticed that you looked at it  
every time we walked by it.  
You like it? "  
Rinko says "Eh? It's not out of business  
yet.":  
main character given answer: "What are you jinxing? "  
Rinko says "That house with a cracked  
window... Does anyone live  
there? ":  
main character given answer: "I don't know. It seems like it  
was abandoned if you think  
about it. Maybe the owner had  
passed away."

Rinko says "Ah, over there... There are some birds on the wall.":  
main character given answer: "Ah, they are cuddling up. They might be given the "Best Couple" award."  
Rinko says "...Ah, there are a lot of crows.":  
main character given answer: "Crows, huh...? I feel uneasy seeing so many crows gathering around like that."  
Rinko says "Ah, a cat... Yeah, it's such a beautiful cat.":  
main character given answer: "A beautiful cat? "  
Rinko says "Ah, a dog. Look, it's over there.":  
main character given answer: "A Doberman, I think. It was tied with a chain, so I think it's okay."  
Rinko says "Hey, that's... Someone is taking a meerkat for a walk...":  
main character given answer: "You're right..."  
Rinko says "Ah...":  
main character given answer: "What's wrong? "  
Rinko says "Ah, a shooting star.":  
main character given answer: "A shooting star? That can't be. Not at this hour."  
Rinko says "Hey... Does something smell nice? ":  
main character given answer: "Smell? No, I don't smell anything."  
Rinko says "Well... Seems like it's about to rain.":  
main character given answer: "Yeah, the air is getting humid."  
Rinko says "Oh no, something got in my eyes....":  
main character given answer: "Are you okay? "  
Rinko says "Ah, look.":  
main character given answer: "What? "  
Rinko says "Ah, that grandpa and grandma are holding hands...":  
main character given answer: "They're married, I think."  
Rinko says "Eh? Did you just walk down that road? ":  
main character given answer: "...I've been walking next to you this whole time."  
Rinko says "Wow, she has a nice body! ":  
main character given answer: "Where, where? "  
Rinko says "Ah, I'm sorry! ":  
main character given answer: "Oops. She bumped into me."  
Rinko says "Hey, hey, did you see that? That yellow bicycle was so cute.":  
main character given answer: "The one that just went by? That design seems to be suited to the stone-paved streets in Europe."  
Rinko says "Ah, that motorbike looks like the one on the CD jacket.":  
main character given answer: "It's a popular motorbike that's imported. That one's very expensive."  
Rinko says "Hey, there's a car coming this way. Come here and walk closer

to me.":  
main character given answer: "Thanks."  
Rinko says "Look. That car seems very  
expensive. I'm not interested  
in cars, but I think you  
probably like it, huh? ":  
main character given answer: "I don't think I'll be able to  
afford it, but it's most guys'  
dream to have one."  
Rinko says "Ah, sirens.":  
main character given answer: "It's an ambulance."  
Rinko says "A space alien just walked past  
us.":  
main character given answer: "What space alien? It was  
probably some movie shooting."  
Rinko says "Did a lion just walk past  
us...? ":  
main character given answer: "...That's impossible."  
Rinko says "Eh? I just saw a turtle.":  
main character given answer: "A turtle? You said you saw a  
turtle? "  
Rinko says "Ah...":  
main character given answer: "What's wrong? "  
Rinko says "Ah... That's... No... It...  
can't be...":  
main character given answer: "What's wrong? "  
Rinko says "Hey, feet.":  
main character given answer: "Oh, sorry. You were right."  
Rinko says "Why are you holding my hand?":  
main character given answer: "No?"  
Rinko says "You know, don't you think it's weird?":  
main character given answer: "What are you talking about?"  
Rinko says "I'm pulling my yukata, I'm pulling it up.":  
main character given answer: "Oh, I'm sorry."  
Rinko says "Hey, turn around.":  
main character given answer: "Yeah, it's fine."  
Rinko says "Please, just once.":  
main character given answer: "What is it?"  
Rinko says "Thank you for helping me.":  
main character given answer: "No problem. Leave the heavy  
lifting to me."  
Rinko says "Huh, that's the cleaning  
tool case...":  
main character given answer: "Ah... I'm sorry, what  
happened? "  
Rinko says "Excuse me... Can you bring  
me your survey for  
improving club activities?  
I was asked by the sensei  
to collect them...":  
main character given answer: "Ah, the survey..."  
Rinko says "Thank you for your survey,  
I'll submit it to the  
sensei.":  
main character given answer: "Yes, I'll leave it to you."  
Rinko says "Huh... What happened with  
the survey? ":  
main character given answer: "Ah, I'm sorry! I couldn't  
write anything after all."  
Rinko says "I'm sorry for bothering  
you... Thank you for  
teaching me.":  
main character given answer: "You're welcome."  
Rinko says "Ah, I'm sorry. Teaching

me how to use a mobile  
phone is a hassle, I know.":  
main character given answer: "Emm... sorry. Somehow, our  
timings did not match."  
Rinko says "Thank you. With this I  
think it's the end.":  
main character given answer: "I see, good work."  
Rinko says "Huh... I've finished  
clearing the equipment.  
It's alright now.":  
main character given answer: "Oh, I see... I'm sorry,  
I didn't help much."  
Rinko says "The print I was looking  
for...":  
main character given answer: "Ah, that's right...

main character given answer: "Well, ● is light..."  
Rinko says "Wow, the amusement park at night has an atmosphere...":

main character given answer: "That's what it is."  
Rinko says "Is it a firefly viewing party? I've never seen Rinko.":  
main character given answer: "is that so. I'm not here anymore."  
Rinko says "Right. She was a woman, a former Olympic medalist.":

Rinko says ".....Yes.":

main character given answer: "....."

Rinko says ".....I want this aquarium at home in the future":

main character given answer: "It looks fun, but cleaning seems to be difficult."

Rinko says "Rinko, I rarely hear classical music.":

main character given answer: "Perhaps... disgusting?"

Rinko says "Hmm...":

main character given answer: "You've had a difficult face for a while, but what's wrong?"

Rinko says "It's getting dark outside, though.":

main character given answer: "After this is the Night Museum."

Rinko says "It seems that there is a newborn baby baby in the Fureai Square this spring.":

main character given answer: "Then do you want to go?"

Rinko says ".....Eh?? That place... is my city, right?":

main character given answer: "I happened to see it in a magazine last time. If you come to the

Rinko says "When I was suddenly told to go digging potatoes, I was surprised.":

main character given answer: "Didn't you go digging potatoes when you were in kindergarten?"

main character given answer: "I understand. I thought when I was a kid."

Rinko says "Today... can you see the moon?":

main character given answer: "Well, I heard that it was in full bloom today. ....Is it difficult if the clouds are not clear?"

Rinko says "Right. It's about time the bride came out. It's exciting no matter how many times I see this kind of thing.":

main character given answer: "Have you ever been to a wedding before?"

Rinko says "When you get to Okujubano, you'll have fewer houses.":

main character given answer: "● Compared to where we live, it's small."

Rinko says "Hey, why are you dating

Rinko? ":

main character given answer: "Why do you ask? "

Rinko says "I've asked you before, but...":

main character given answer: "Hmm? What is it? "

Rinko says "How do you define "love"? ":

main character given answer: "Why do you ask all of a sudden? "

Rinko says "Hey, perhaps, people fall in

love because it's human

instinct.":

main character given answer: "Are you talking about what we

discussed before? Why do you

say that? "

Rinko says "Speaking of which, it's coming

up, huh? ":

main character given answer: "What's coming up? "

Rinko says "Is there anything you want? ":

main character given answer: "Your birthday, right? "  
Rinko says "Hey... This might be the first  
time that I'm looking forward  
to my birthday.":  
main character given answer: "Then I'll try my best to make  
▲小早川\*▲  
happy."  
Rinko says "Do you know what's coming up? ":  
main character given answer: "What is it? "  
Rinko says ".A lot of things happened

main character given answer: "A year has gone by so fast..."  
Rinko says "Hey, thanks for being with  
Rinko for this whole year.":  
main character given answer: "Why do you say that all of a  
sudden? "  
Rinko says "Why are you dating Rinko? ":  
main character given answer: "Why do you ask all of a  
sudden? "  
Rinko says "Tell me honestly, what part of  
me do you like? ":  
main character given answer: "What is this, all of a  
sudden? "  
Rinko says "Love...":  
main character given answer: "...Eh? "  
Rinko says "Falling in love with someone  
adds to your troubles, right? ":  
main character given answer: "What's this all of a sudden? "  
Rinko says "Ah, isn't it happening soon? ":  
main character given answer: "What is...? "  
Rinko says "Hey, is there anything you  
want right now? ":  
main character given answer: "I think I want a bit of a  
raise in my allowance."  
Rinko says "Let's continue our discussion.  
Have you thought about what  
you want? ":  
main character given answer: "Ah! I totally forgot..."  
Rinko says "Ah, I just remembered...":  
main character given answer: "What? "  
Rinko says "Ah... It's almost August,  
huh...? ":  
main character given answer: "It's right in the middle of  
summer."  
Rinko says "Hey, do you remember any of  
your birthdays when you were a  
kid? ":  
main character given answer: "Why? "  
Rinko says "I'm looking forward to it~":  
main character given answer: "A present? "  
Rinko says "It's almost the day. You know  
which, right? ":  
main character given answer: "What was it? "  
Rinko says "Somehow, we've been dating for  
almost a year, huh? ":  
main character given answer: "Yeah... Even now, we're still  
so lovey-dovey."  
Rinko says "We've been together for almost

a year.":  
main character given answer: "Yeah..."  
Rinko says "We've been together for almost  
a year now.":  
main character given answer: "When we look back, a year  
passed by so fast..."  
Rinko says "Hey, you know? ":  
main character given answer: "Hmm? "  
Rinko says "Hey, can I ask you again? ":  
main character given answer: "What? "  
Rinko says "Do you know why people fall in  
love? ":  
main character given answer: "I wonder... I've never thought  
about it."  
Rinko says "It's stated in a book I read a  
long time ago...":  
main character given answer: "Hmm? "  
Rinko says "It's coming soon.":  
main character given answer: "...What is? "  
Rinko says "Hey, is there anything that  
you want? ":  
main character given answer: "Why do you ask all of a  
sudden? "  
Rinko says "Ah, so about the present I was  
asking you before.":  
main character given answer: "Sorry... I completely  
forgot..."  
Rinko says "Speaking of which, your  
birthday is coming up, right? ":  
main character given answer: "You remembered..."  
Rinko says "Well, it's almost August,  
right? ":  
main character given answer: "It's getting hot."  
Rinko says "For some reason, I've been  
checking the calendar  
everyday.":  
main character given answer: "It's almost your birthday,  
right? "  
Rinko says "When it's your birthday, it  
means you're a step closer to  
becoming an adult, right? ":  
main character given answer: "That's right. You'll grow one  
year older."  
Rinko says "It's coming soon, huh? ":  
main character given answer: "I didn't forget. It's your  
birthday, right? "  
Rinko says "Do you know what's coming  
soon? ":  
main character given answer: "There's something coming? "  
Rinko says "A year has gone by in a blink  
of an eye. What do you think  
about this past year? ":  
main character given answer: "It has been a good year."  
Rinko says "A year has gone by so fast.":  
main character given answer: "Yeah, for this past year,

Rinko says "You know, thank you for being  
with me throughout this past  
year...":  
main character given answer: "Same here."  
Rinko says "You see. I cut my hair. How?":

Rinko says "look. I cut my hair. Do you have an opinion?":

main character given answer: "Ah. I made it short..."

Rinko says "How is this feeling? It's quiet.":

main character given answer: "That's right..."

Rinko says "I'm going to call it a neat system, but what about?":

Rinko says "When we come to a karaoke box  
like this, we can see what the  
people before us sang, right? ":  
main character given answer: "Yeah, we can see the records."  
Rinko says "Well, what am I gonna sing  
today? ":  
main character given answer: "Can we sing something besides  
Western songs occasionally? "  
Rinko says "The Ferris wheel just keeps  
going round and round. I was  
wondering what was so fun  
about it.":  
main character given answer: "And? "  
Rinko says "The Ferris wheel is wonderful.  
The feelings are different  
during the daytime and the  
nighttime.":  
main character given answer: "The feelings are different? "  
Rinko says "Geez! Why is it so dark! ?  
It's hard to walk! ":  
main character given answer: "Because it's a haunted house."  
Rinko says "For a roller coaster, the most  
exciting moment is when it's  
getting close to the summit,  
right? ":  
main character given answer: "Right. After that, everything  
goes by in an instant."  
Rinko says "Wow... Amazing...":  
main character given answer: "This is the amusement park's  
special program."  
Rinko says "Wow... Their electricity bill  
must cost a lot...":  
main character given answer: "...What a strange reaction.  
You don't like this then? "  
Rinko says "So beautiful...":  
main character given answer: "Yeah, I agree."  
Rinko says "Hehe.":  
main character given answer: "You are in such a good mood,  
▲小早川\*▲."  
Rinko says "Yeah, it sure is nice to swim  
in the pool. This is very well

designed.":

main character given answer: "But the sea also has its good points."

Rinko says "...I was in such high spirits that I'm now exhausted. I'm sleepy.":

main character given answer: "Hey, don't fall asleep while you're standing like that."

Rinko says "I tried to listen to the narration attentively.":

main character given answer: "But you forgot about it in no time, right? "

Rinko says "Hey, have you been looking at the stars lately? ":

main character given answer: "No."

Rinko says "Whenever I come here, I'm always amazed with how many types of flowers there are.":

main character given answer: "Not just flowers, there are also rare plants and grasses here as well."

Rinko says "Plants also have their scientific names besides their common names, right? Do you remember them? ":

main character given answer: "There's no need to remember, is there? "

Rinko says "...It's hot.":

main character given answer: "Yeah, it's the subtropical plants' corner after all."

Rinko says "I really had fun... But did you get bored? ":

main character given answer: "Not at all, why? "

Rinko says "Hmm, I've never been to this kind of show. If I were alone, I would never have a chance to watch it.":

main character given answer: "Really? Then that's good."

Rinko says "...I'm exhausted.":

main character given answer: "You don't like it? "

Rinko says "Whoa, it's windy...! ":

main character given answer: "We're very close to the ocean."

Rinko says "Why do couples like to come here? Because the night view is beautiful and romantic?

Ah, come on. Answer me.":

main character given answer: "It's called a perfect date spot, but it doesn't feel any different from when I came here alone."

Rinko says "We shouldn't walk across this bridge.":

main character given answer: "What? "

Rinko says "What's your general impression of the ocean? ":

main character given answer: "Beach volleyball, watermelon crush, sandpit..."

Rinko says "Ah, people are building sand castles? Why do they come to the ocean to play with sand and not get in the ocean? ":

main character given answer: "Well, they might be playing on the beach before sea bathing."

Rinko says "When you said we should just

come here, what did you think  
we could do? The water is  
very cold.":  
main character given answer: "We are lovers, right? We  
don't need any special reason  
to come to the ocean."  
Rinko says "The off-season ocean feels  
pretty sad. It's like  
listening to oldies songs.":  
main character given answer: "Oldies? "  
Rinko says "I think I like the quiet  
off-season ocean like this.":  
main character given answer: "We can't really do anything  
here though."  
Rinko says "I wonder what these sunfish  
are thinking.":  
main character given answer: "They look like they're just  
fooling around all day."  
Rinko says "When people go scuba diving,  
they like to swim along with  
the sunfish, you know? ":  
main character given answer: "Sunfish are huge and obedient  
so they're the best choice."  
Rinko says "A bird that can't fly,  
huh...? ":  
main character given answer: "What's wrong? "  
Rinko says "The penguin's baby is just so  
cute. It's all gray and  
fluffy.":  
main character given answer: "Like a plush doll, right? "  
Rinko says "This feels as if we are under  
the sea, huh? ":  
main character given answer: "So beautiful, right? "  
Rinko says "Ah, a school of fish.":  
main character given answer: "That looks amazing."  
Rinko says "Dolphins are really smart. I  
think they're the second  
smartest animal in the world.":  
main character given answer: "Second...? Then humans are  
the smartest, right? "  
Rinko says "How come the dolphins can jump  
like that? There must be some  
mechanisms.":  
main character given answer: "Yeah, when we watch them this  
close, the jumps are really  
wonderful."  
Rinko says "So many couples here. It must  
really be a famous date spot.":  
main character given answer: "▲小早川\*▲,  
do you like this place? "  
Rinko says "Couples usually enjoy being at  
some high places, don't you  
think? Pretty typical.":  
main character given answer: "Is... that so? But I guess  
many date spots with nice  
scenery are all up in high  
places, huh? "  
Rinko says "When we're actually here, it's  
much higher up than I had  
pictured it.":  
main character given answer: "Aren't you scared when you  
look down like that? "  
Rinko says "I see. This is the kind of  
design that girls like, huh? ":

main character given answer: "▲小早川\*▲  
is also a girl."  
Rinko says "...I'm going home."  
main character given answer: "We have just arrived though."  
Rinko says "A lot of my classmates like to  
try these items."  
main character given answer: "Huh? This is really the world  
that guys can't understand."  
Rinko says "It's so troublesome to be  
women. Many women can't go  
outside without putting on  
make-ups."  
main character given answer: "▲小早川\*▲,  
but you don't wear any  
make-ups, right? "  
Rinko says "Accessories, huh? "  
main character given answer: "Hmm? Is there any of them  
that you like? "  
Rinko says "Hmm. It sure is quiet. It's  
like I'm automatically feeling  
sleepy when I'm at the lake  
shore."  
main character given answer: "Yeah, I'm getting sleepy too."  
Rinko says "Hey, do you love me? "  
main character given answer: "Why do you ask me that all of  
a sudden...? "  
Rinko says "If Rinko fell from here, would  
you jump down to save Rinko's  
life? "  
main character given answer: "Of course I'd jump! By the  
way, if I fell, would you jump  
down to save me,  
▲小早川\*▲? "  
Rinko says "Ah, jumping fish."  
main character given answer: "Really. That's a lot of them."  
Rinko says "Do you usually get seasick? "  
main character given answer: "I wonder. I don't feel sick  
now though."  
Rinko says "We have to greet other people  
when they walk past us on the  
mountain, huh? "  
main character given answer: "Yeah, that's good manners.  
▲小早川\*▲  
should greet them, too."  
Rinko says "Eh...? Have we been going  
downhill? "  
main character given answer: "That can't be. There are also  
people walking around here."  
Rinko says "This place is full of old  
people."  
main character given answer: "Yeah, it's rare for high  
school couples to come to view  
maple leaves on a date."  
Rinko says "Teeheehee. Are you regretting  
it now that you invited Rinko  
to ski? "  
main character given answer: "Why? "  
Rinko says "These things aren't related to  
Rinko at all."  
main character given answer: "Can you just act a bit like  
"Heh" or "Oh" or something  
like that? "  
Rinko says "What is this? There's only a  
very big eye on the whole

painting.":  
main character given answer: "Its title is... "A glance."  
So, I guess that's it."  
Rinko says ".....":  
main character given answer: "▲小早川\*▲,  
do you like this painting?  
You usually complain about all  
kinds of paintings here  
though."  
Rinko says "Wow, so big...":  
main character given answer: "It's different from when we  
see it in pictures, right? "  
Rinko says "Why does a giraffe have a long  
neck? ":  
main character given answer: "Hm, because..."  
Rinko says "Lions are in the cat family  
too, right? No matter how  
much they look like cats, they  
are still a little bit...":  
main character given answer: "Well, their sizes are much  
different. Lions are really  
scary..."  
Rinko says "If a lion fights with a tiger,  
which one will be stronger? I  
think it's the lion because  
it's the king of beasts.":  
main character given answer: "A lion and a tiger can  
reproduce and make a baby, you  
know? "  
Rinko says "Hmm, these animals really have  
such unique smells.":  
main character given answer: "▲小早川\*▲,  
do you like animals? "  
Rinko says "How do you tell animals and  
beasts apart? ":  
main character given answer: "How? Well, these are  
animals..."  
Rinko says "あのさ、よく“好きなタイプ”とか、言うじゃん？  
ちょっと聞いとうこうかなって思って。":  
main character given answer: "●の好きなタイプ？ そうだな、最近は...。"  
Rinko says "アンタの好きなタイプってさ、どんなだっけ？  
ネタとして聞いてあげようと思って。":  
main character given answer: "ネタって...うーん、最近はそうだな...。"  
Rinko says "最新の“好きなタイプ”、聞いとうこうかなって。":  
main character given answer: "●の好きなタイプ？ そうだな、最近は...。"  
Rinko says "Wah! ":  
main character given answer: "? "  
Rinko says "▲主人公\*▲.":

main character given answer: "? "  
Rinko says "▲主人公\*▲.":  
main character given answer: "? "  
Rinko says "▲主人公\*▲.":  
main character given answer: "▲小早川\*▲."  
Rinko says "Don't you get tired? We have a bench, let's sit down.":  
main character given answer: "Right."  
Rinko says "▲ Protagonist

\*▲ Speaking of that, did you see it?":  
main character given answer: "that?"  
Rinko says "▲主人公\*▲.":  
main character given answer: "Oh, ▲小早川\*▲

Rinko says "I have a question.":  
main character given answer: "What?"  
Rinko says "Hey hey.":  
main character given answer: "Hmm?"  
Rinko says "You see here!  
hurry, hurry!":  
main character given answer: "Wait a minute!"  
Rinko says "Well,

main character given answer: "What?"  
Rinko says "Hmm... after all, the sea  
breeze is different. Shonan is!":  
main character given answer: "Well  
Glad you came"  
Rinko says "Huh, huh...":  
main character given answer: "Hmm?"  
If you are tired, do you take a break?"  
Rinko says "Huh...":  
main character given answer: "▲小早川\*▲\*▲ Did you get a little tired?"  
Rinko says "Hmm... after all, the wind  
is different. Shonan is!":  
main character given answer: "I see. Glad you came"  
Rinko says "Hmmm!  
Good, good! A lot of souvenir shops!":  
main character given answer: "There are many tourists.  
It's like a tourist spot."  
Rinko says "Huh... My knees are  
laughing because I got down the stairs too much.":  
main character given answer: "Iwaya...  
A little further ahead."  
Rinko says "It's lively, as usual.":  
main character given answer: "I see.  
And when it comes, it doesn't smell good."  
Rinko says "Isn't it nice to walk away?":  
main character given answer: "Hmm?"  
...Are you angry?"  
Rinko says "Escar is...  
Is it not possible? I see.":  
main character given answer: "Give up."  
Rinko says "Hmm....  
All of this area was Samuel's garden.":  
main character given answer: "Oh, it's wide."  
Rinko says "Oh, see!  
Ryugu!":  
main character given answer: "Yup. Certainly it's a dragon..."  
Rinko says "Hey, cameraman.

main character given answer: "That's right, why not take a picture?"  
Rinko says "Ah, it might be good here.  
It looks like Enoshima.":  
main character given answer: "Let's take a photo."

Rinko says "Ah, you arrived before me. This is great. I was thinking it'd be bad to wait for you under this blazing sun.":, main character given answer: "I'm glad I've arrived before you.."

Rinko says "Sorry for the wait. Hey, it's hot here. Let's go somewhere else.":, main character given answer: "Okay, okay.."

were late.":, main character given answer: "Don't say that with that kind of smile...."

Rinko says "Here comes the heat. Come on.

Be Rinko's hand warmer now.":, main character given answer: "Don't throw me away when you're done then.."

Rinko says "...I'm not angry, but punctuality is a common sense

in society, isn't it? ":, main character given answer: "(Are you sure you're not angry? )."

Rinko says "Ah! You're late. I wonder how

I shall make you pay for this.":, main character given answer: "(Just don't make it too expensive then.)."

Rinko says "Ah! You made a girl wait like this! Only Rinko would be

nice enough to wait for you.":, main character given answer: "Sorry, sorry.."

Rinko says "...If you knew you'd be late, at least give me a call. I

could've waited under the shade then.":, main character given answer: "Sorry. I'll make up for this.."

Rinko says "So late! You made Rinko

wait! And it's so hot! ":, main character given answer: "Sorry. I'll be more careful.."

Rinko says "You know Rinko hates hot

weather yet you still come

this late, huh? ":, main character given answer: "Sorry. I'll reflect on this.."

Rinko says "Well, this is okay. We'll do

some serious follow-ups on

this issue later.":, main character given answer: "(You're so strict...)."

Rinko says "In cold weather like this, it

must be very painful to be

kicked. So, do you have any

excuses? ":, main character given answer: "I don't, but I'm against corporal punishment! ."

Rinko says "...Geez. If you realize how

bad you are, you must make

Rinko feel warm now, okay? ":, main character given answer: "Okay, I'm sorry.."

Rinko says "Hey, what's your excuse? I

might feel pity for you and

reduce your punishment a bit.":, main character given answer: "Please be merciful to me! ."

Rinko says "...I have to teach you some

discipline. Hiya! ":, main character given answer: "Ouch! ."

Rinko says "You're very late! Don't make

me wait alone, idiot! ":, main character given answer: "Sorry. I'm really sorry! ."

Rinko says "...Oh my. It's too hot that I

don't have energy to complain.

What do you say? ":, main character given answer: "Sorry. I'm reflecting on this.."

Rinko says "Don't make me worry, you

idiot! I was worried that

something might happen to

you! ":, main character given answer: "I'm sorry. Please don't be upset.."

Rinko says "You're late! It's so hot.

Don't make me sweat from

worrying too! ":, main character given answer: "Sorry to make you worry.."

spread it to you.":, main character given answer: "I'm really sorry! ."

Rinko says "...It's cold! ":, main character given answer: "It hurts! ."

Rinko says "You're late! It's cold. I was

worried about you! You

idiot! ":, main character given answer: "Sorry. I'll never be late again.."

Rinko says "I don't know

anymore! Which one?":, main character given answer: "The subway is... there?."

Rinko says "Just so you know, this time is

special... Okay? ":, main character given answer: "Okay! ."

Rinko says "Enough. Hey, it's embarrassing...":, main character given answer: "Sorry, sorry.."
